House of Representatives
Washington, DC 20515

Dear Congressman Lujan:

Unfortunately, I have not been able to write until now, but I hope that my request for information is not too late.

With regards to the mass murder affair in Guyana, I would like to know the following:

(1) Who authorized the use of U.S. equipment and the spending of U.S. funds to bring back the cadavers?

(2) Will there be action taken to retrieve this money from the wealth of Jones' so called church?

Please give this matter attention with as much detailed information as possible. Thank you kindly and have a Happy and productive New Year.

Sincerely yours,

H Atterbom
